

Inspection of exam dates and registration period at KLIPS 2 **without** KLIPS 2 Login

It is sometimes necessary or useful that you need information about exam dates which are not shown in your degree course tree. This could be the case, if you take an additional examination attempt (“Joker”) or if you are assigned to another module/ another group at KLIPS 2.

The following instruction will explain you how you can see exam dates and registration periods in that mentioned case. This is shown as an example for the Core Module Accounting in the bachelor’s programme Betriebswirtschaftslehre (engl: Business Administration).

- 1) Please make sure that you are not logged in to KLIPS 2. You can see that you are not logged in if a possible log-in is shown at the front page.

The screenshot shows the KLIPS 2.0 Campusmanagement website. The header includes the University of Cologne logo and the text 'KLIPS 2.0'. A search bar is located in the top right, and a 'Log-in' button is circled in red. The main content area features a banner with silhouettes of students and the text 'KLIPS 2.0 Campusmanagement'. Below the banner, there is a section titled 'KLIPS 2.0 - Campusmanagement' with text describing the system's operation and a link for 'Information for prospective students and applicants'.

KLIPS 2.0 - Campusmanagement

Since the winter semester 2014/2015, the pilot operation of KLIPS 2.0 started to administer at first the **Masters of Education study programmes(M.Ed.)**. Additionally, on 15 December 2014, the online portal of KLIPS 2.0 for applications for undergraduate studies started.

As from the winter semester 2015/2016, KLIPS 2.0 will operate the **accredited model study programs** of the University of Cologne. KLIPS 2.0 will be introduced within the framework of Projekt Migration Campusmanagement (MCM).

Below the search bar, there are navigation links for "Log-in", a home icon, a question mark, an information icon, and language options "de/en". The main content area features a banner with silhouettes of people and the text "KLIPS 2.0 Campusmanagement". Below the banner, there is a section titled "KLIPS 2.0 - Campusmanagement" with introductory text and a link for "Information for prospective students and applicants".

3) Insert the degree programme you are looking for (here: Betriebswirtschaftslehre) as search term
