

My GMAT™ Data

Information

To include your GMAT™ test result in the score, you must either upload a **GMAT Test Taker Copy** or this completed **form** to KLIPS. **We only accept results that are released for the University of Cologne. Without release, the test result is included in the score calculation with the value 0.**

Tests carried out up to the following dates are accepted:

- **31 March** International Management (CEMS MIM)
- **15 May** Double Master's Programme in Business Administration, Double Master's Programme in Economics
- **15 June** Business Administration, Business Analytics & Econometrics, Economics

We can only access your test result if you have released it to the University of Cologne by the following dates. The test results are only downloaded from the database once after the date has expired.

- **10 April** International Management (CEMS MIM)
- **22 May** Business Administration Double Master's Programme, Economics Double Master's Programme
- **25 June** Business Administration, Business Analytics & Econometrics, Economics
